92.—The duty on Spirits was raised by Act VII. of 1859 from Rs. 1½ to Rs. 3 per imperial gallon, and on Wines from Rs. 1 to Rs. 2 per imperial gallon. In respect to these articles, there was a falling off in the year 1859-60 as compared with 1858-59, and there has been a further falling off in the year under review as compared with 1859-60. There was an increase in the Imports of Malt Liquor in the year under notice, but as compared with 1858-59 a decrease is noticeable. The duty on Malt Liquor was raised by the above-mentioned Act from 5 per cent. *ad valorem* to 4 Annas per imperial gallon; or, in other words, a hogshead of Beer formerly paid Rs. 2½ as duty, while now it pays Rs. 13.

93.—In the Export of articles liable to duty there was an increase in the amount of collections at the Bombay Custom House to the extent of Rs. 1,12,021, chiefly owing to the increased Exports of Grain, Seeds, Cashmere Shawls, and Saltpetre.

94.—All duty-free articles have been entered in this Report at the value declared by the owner, while to certain articles a value has been fixed by the Custom House as follows:—

PART III.

CONTINENTAL PORTS.

95.—I shall next proceed to offer a few remarks on the several Government Ports situated within the limits of the Bombay Presidency on the line of coast between Cambay on the north to Goa on the south.

96.—There are altogether fifty Government Ports, but many of them merely carry on trade with other Government Ports within the Bombay Presidency, and I shall therefore purposely refrain from furnishing any figured statements or other details regarding them.

12. Guzerat Division.
31. Concan Division.

97.—I have, however, prepared a separate statement for each of the Government Ports within the Bombay Presidency, which has any trade either with Foreign Ports or with any Indian Ports beyond the limits of the Bombay Presidency. The several Ports are as follows:—

98.—The amount of Import Customs duty received at the above mentioned Ports is very trifling. In a few Ports only do the realizations exceed Rs. 2,000 per annum, while in the others, the receipts are much less than that sum.

99.—The Import Customs duty is almost entirely levied on Cocoanuts, Seeds, Timber, Salt, and Salted Fish.

100.—The amount of Export duty levied is, on the whole, a large item, but it chiefly consists of a fee levied, at the rates as per margin, on Salt exported from the Bombay Presidency to the Madras territory.

3 Pies per Indian maund is levied on Exports to British Ports on the Malabar Coast.

1 Anna per Indian maund is levied on Exports to Foreign Ports on the Malabar Coast.

101.—The amount realised as Export duty was levied on the following items, viz:—

Guzerat Division.

	Rs.	a.	p.
Salt	5,455	10	6
Cotton Seeds	12,687	6	9

102.—There has been a decrease in collections on account of Imports at the Continental Ports, as compared with the previous year, and this is owing—*first*, to decreased rates of duty from 20 to 10 per cent. on Salted Fish, and *secondly*, to less imports of Cocoanuts, Copra, Seeds, Salt, Provisions, and Timber.

CONTINENTAL PORTS.

91.—I shall next proceed to offer a few remarks on the several Government Ports situated within the limits of the Bombay Presidency on the line of Coast between Cambay on the north to Goa on the south.

92.—There are altogether fifty Government Ports, but many of them merely carry on trade with other Government Ports within the Bombay Presidency, and I shall therefore purposely refrain from furnishing any figured statements or other details regarding them.

12. Guzerat Division.
31. Concan Division.

93.—I have, however, prepared a separate Statement for each of the Government Ports within the Bombay Presidency which has any trade either with Foreign Ports or with any Indian Ports beyond the limits of the Bombay Presidency. The several Ports are as follows:—

94.—There has been an increase in Collections on account of Imports at the Continental Ports, as compared with the previous year, and this is owing to larger imports of Cocoanuts, Copra, Seeds, Salt, Provisions, and Timber.

95.—The amount of Import Customs duty received at the above-mentioned Ports is very trifling. In a few Ports only do the realizations exceed Rs. 2,000 per annum, while in the others the receipts are much less than that sum.

96.—The Import Customs duty is almost entirely levied on Cocoanuts, Seeds, Timber, Salt, and Salted Fish.

97.—The amount of Export duty levied is, on the whole, a large item, but it chiefly consists of a fee levied, at the rates as per margin, on Salt exported from the Bombay Presidency to the Madras territory.

3 Pies per Indian maund is levied on Exports to British Ports on the Malabar Coast.

1 Anna per Indian maund is levied on Exports to Foreign Ports on the Malabar Coast.

98.—The amount realized as Export duty was levied on the following items, viz:—
